KCRC kiddo, Olina, and her kidney journey *update*

Thank you for the clubs continued support and inquiries concerning one of our littlest members. 6 year old Olina is in need of a life saving organ transplant.

Donors are lining up out the door (*LITERALLY*) for Olina and we are super excited to watch her flourish on her journey to health!

The family is asking for financial help as people see led. *100% donated goes directly to her kidney transplant expenses.*

The Children's Organ Transplant Association (501c3 charity) does not collect any percentages. Read more [here](#). Donate [here](#). Thank you.
